IMRIS APPOINTS DEREK REIMER AS EXECUTIVE VP FINANCE AND ADMINISTRATION AND CHIEF FINANCIAL OFFICER

Winnipeg, Manitoba, June 11, 2008 (TSX:IM) -- IMRIS announced today the appointment of Derek Reimer CA as Executive Vice President, Finance and Administration and Chief Financial Officer. Derek will replace Ron Sabourin who will assume the role of Executive Vice President, Business Development effective June 25, 2008.

Derek joins IMRIS after nearly seven years as Chief Financial Officer of Medicure, a publicly traded biopharmaceutical company. Prior to that, he spent 8 years with Deloitte & Touche LLP where he provided support to international companies in the financial services and insurance sectors. His experience includes public reporting, CSA and SEC compliance, treasury, capital market strategies and international investor relations.

"We are delighted that Derek has joined us to bring his skills and experience in managing all aspects of IMRIS's financial operations," said David Graves, Chairman, President and Chief Executive Officer. "With Derek on board, Ron Sabourin will be able to devote much more of his time, energy and talent to managing and executing our growth strategy in global markets."

About IMRIS:

IMRIS is a global leader in providing fully integrated, advanced surgical imaging solutions designed to measurably improve patient outcomes. The company's flagship product, *IMRISneuro*, utilizes patented technology that allows a high field MRI scanner to move in to the operating room on demand, providing imaging during the surgical procedure without compromising patient safety. This unique and innovative system has been validated by leading neurosurgeons around the world for use in world-class neuroscience centers.
